TRANSITION/REDISTRICTING

Until I got on the 5M10's Cabinet, I had not heard of those terms. A District falls into those rules if membership falls under 1250 or has less than 35 clubs. What does that mean to our District? There are certain financial benefits that we fail to get from LCI that if we fall into that category for over two years. It is also possible that we would be divided up and our clubs would have to join another District. This happened to District 5M12. It no longer exists. It is in only the last two years that we have ended our Lions year (June 30) barely over that magic number of 1250. **We are now under that number again.**

I would love to leave DGE Joanne with a District membership over 1250 just as IPDG Mel and I were left. To do this I need your help. Please hold a membership drive this month or next month. Have every club member ask one prospective new Lion to a meeting. All the clubs I visited are doing great service projects in their communities—blow your horn and tell people what you do. For the club with the highest percentage of membership increase this year (ending June 30, 2018) I will give that club one hospitality book for next year Midwinter Convention. Remember to report your membership to LCI.

Thank you and good luck DG Mark.

Musings of your DGE.....

Well its March already.....thankfully we were able to spend some of the cold winter in our favourite place in the world to vacation....Cayo Santa Maria, Cuba.

If you haven't been aware a few short months ago this island paradise was met with a catastrophic hurricane named Irma. Irma pummeled the island at a never before met veracity of a Cat. 5 storm.

Our small resort was in the direct path of this monster and suffered a tremendous amount of damage....7 miles of the 48 mile causeway was completely removed from the ocean and the rest was severely damaged as well.

Our resort lost the roof off the main lobby and restaurants; as well the lower restaurant was totally destroyed. The trees and beautiful gardens were demolished and the beautiful beach strewn with debris. This all happened on September 9th.....and I hear you all wonder why I am telling you this right?

I came home from paradise to find that our wonderful district again lost members...we are currently sitting at 1208 and there are only 4 months left to this year. Insurmountable it seems to get us back to before the end of the year it seems....

Well the rest of my vacation story goes like this....

On November 1st our small piece of Cuban paradise was open for business...52 days after it was devastated by Irma....not only was it open but when we arrived a few short months later it was like Irma had never happened....the causeway in fact is better than it has ever been! Amazing you might think...miraculous even right?

When I spoke to our Cuban friends about how this was even possible the comments were consistent.

had
1250

“We just went to work...we didn't have jobs if the resort didn't open so we all just came to help...we worked for free so we had a job that would pay sooner than later. We worked as a team from all towns and communities because if we didn't none of us would have a livelihood...”

We have a team...a wonderful DG team that is working hard for the district...but we need our whole district to help make our district the “paradise” it was a short time ago...add one person to every club in the district....that should be a whole lot easier than my Cuban friends and we have double the time...roll up your sleeves 5M10...the district needs you...

...Yours in Service, Lion Joanne

DIABETES CANADA

Finally good news from Diabetes Canada. I've been in touch with the coordinator in Southern Ontario, who is now responsible for all of Ontario. Although she is 1200 miles away, she has done her homework and knows where we are. She is also a Lion and understands that we are an under-serviced area.

Plans are under way to work together for the betterment of Diabetes patients in our district of the province. Her name is Nicole Holder-Dulson and she is located for those who know the area, in Kitchener.

She is helping us get our D-camper program started and said she will work closely with us, as we search for a camper.

A program that is available is aimed at the children in grades 4 and 5. It provides information for the students on what it's like to have diabetes and function on a daily basis.

Hopefully we can lessen the stigma for children with type 1 Diabetes, once we get into the schools.

Since we are so close to Lake of the Woods, the plan is to find a camper for the D-Camp called Briardale. For more information about the camp, please check out the following website.

<http://dcamps.ca/Summer-Camps/Camp-Briardale.aspx>

D-CAMPS

LIONS MD5M HEARING FOUNDATION, CANADIAN DIVISION – HEARING COMMITTEE - Update March 2018

Hearing Committee – Lions Dennis Doerksen (5M11), John Sinclair (5M11), Shannon Dueck (5M13), Wendy Wiedenhoeft (5M10), DG Helmut Neufeld (5M13) and Bill Michl (5M10) receiving cheque from *Roar For Hearing* Committee. Missing Lion Lloyd McCabe (5M13)

The Hearing Committee gratefully received a cheque in the amount of \$9,473.80 from the Roar for Hearing Committee. The *Roar for Hearing* committee will no longer be operating and they have chosen to donate their remaining funds to the Hearing Committee to provide ongoing management and financial support to the Lions Hearing Aid Loaner Bank for Infants and Youth. This program initiated in September 2017 through funds raised by the *Roar for Hearing* provides hearing aids to infants and children through Hearing Clinics in Manitoba while children are waiting to receive an initial hearing aid or when their hearing aid is being repaired.

Other Business of the committee:

- The Hearing Committee thanks Lions Clubs throughout our districts who donated funds through the Parade of Green. Ten clubs have been awarded Decibel Awards to acknowledge a cumulative donation of \$500 to support Hearing Committee initiatives. We are waiting to receive notification of recipients of these awards so names can be posted on our web site.
- The Hearing Committee has supported 8 individuals through matched funding with Lions clubs to purchase hearing aids so far this year.
- **WATCH FOR** the launch of the Lions Foundation (of Manitoba and Northwestern Ontario) web site which will include information on the work of the Hearing Committee!

Submitted by:

Lion Wendy Wiedenhoeft, Chair – Lions MD5M Hearing Foundation, Canadian Division – Hearing Committee

“Selling Your Lions Club!”

“How can I get things into the local newspaper? They just don’t print anything that I submit.”

This can be a problem. I would suggest you designate one person to represent your Lions Club for submitting information to the newspaper. You can even give this member an official title of “XXX Lions Club Public Relations Chair”. It does sound impressive, doesn’t it? That Lion needs to head on down to your local newspaper and introduce themselves and find out who they are to submit articles to for your club. Find out what the newspaper will accept to print. Some daily newspapers have Community Happenings printed on one day a week. Be sure to get your contacts email address so when you send in your information in, you know someone is receiving it.

If you are from a very large metropolis, you will have more of a problem getting items into print since they are looking for national news to sell their newspapers. Does the area that your club is in have a local community newspaper or newsletter? I would use them first.

What are you submitting to the newspaper that they are ignoring you? Is it your own club awards to members? Newspapers will only print things that are news worthy and the public doesn’t care about internal club awards although we love them (send those to your District Newsletter Editor). Submissions should be for things like Peace Poster presentations, donations to schools, other organizations, etc. Be choosy on what you submit for if the newspaper receives something from you every week, they may choose not to print it.

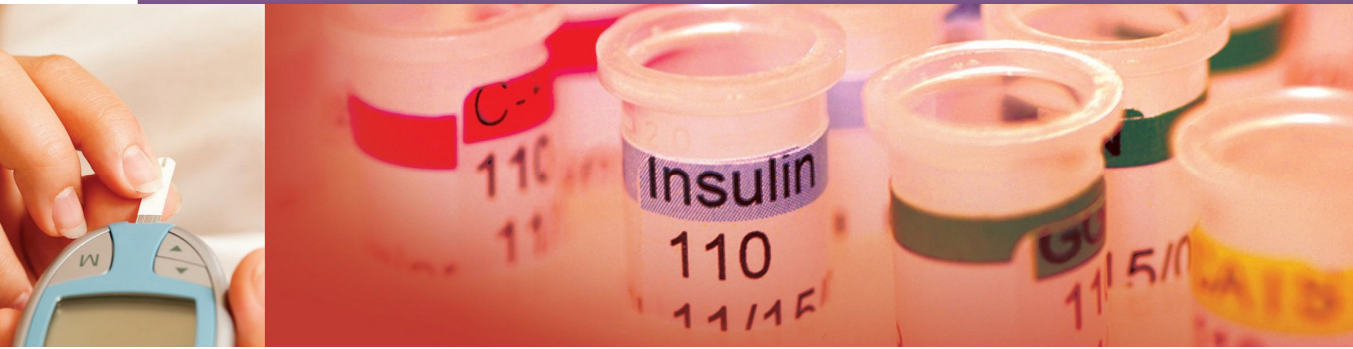

It is always good to purchase advertising when the need merits it such as a Pancake Breakfast, Diabetes Walk, etc. Those ads can become costly but they are what keep the newspaper in business. A way that your club can get articles into the newspaper and not have to pay for it, is by submitting items as “Press Releases”. Send in that email with the subject line: PRESS RELEASE- “XXX Lion Club. Your first sentence in your email should address the person who is receiving the email such as- “Susan, Please publish the attached press release in your newspaper the week of XXX before our event happens. Thank you so much, Lion John Doe, XXX Lions Club, area code, phone number. Then add your press release which could read:

“Wine & Canvas for Diabetes”

The XXX Lions Club will be hosting a “Wine & Canvas for Diabetes” night on Wednesday, November XX, 2017 at 7 p.m. at the XXX Lions Hall in XXX. You will have the opportunity to paint one of two pictures and enjoy a free glass of wine while you paint. All supplies will be furnished. Be sure to bring your favorite wine glass with! The cost of this event is \$40.00. Please call Lion XXX at XXX to sign up for this event. There will also be a display on Diabetes with a short presentation. You need not paint to participate in the Diabetes display & presentation. Come join the fun and help cure Diabetes!

No matter what you send to your newspaper, make sure it is news worthy. Think outside the box- “If I was not a Lion, would I want to read this in the newspaper?”

~Lion Cheri Appel, MD5M Public Relations Chair

Ninth Annual Minnesota Lions Diabetes Research Update March 24, 2018

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Research Update to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Lions Diabetes Research Foundation, are making a direct impact in our community, state, and beyond.

Following the research presentations, guests will have the chance to interact with the scientists one on one, learn more about their research, and ask questions.

Saturday, March 24, 2018

11 a.m. Registration

11:30 a.m. Lunch and program

1 p.m. Meet and greet with scientists

McNamara Alumni Center

University of Minnesota

200 Oak Street SE

Minneapolis, Minnesota

Faculty Research Presentations:

□

David Bernlohr, Ph.D., Research on the role of calcium in insulin action that could lead to a new drug for treating type 2 diabetes

□ **Brian Fife, Ph.D.**, How blocking the body's immune pathway could stop the immune attack on islet cells

□ **Michael Garwood, Ph.D.**, Advances in viewing transplanted islets inside the body pre- and post-transplant

□ **Bernhard Hering, M.D.**, Discoveries in pig islet research that could lead to a cure

RSVP by Wednesday, March 14:

RSVP online at www.rsvp.umn.edu/Lions2018

Please contact Brittany Christenson at chri3187@umn.edu or 612-624-0893 with any questions.
A confirmation letter, including parking information, will be sent prior to event.

Walmart Wellness Days January 20, 2018

Lions from the New Ulm, Fergus Falls and Underwood Clubs were busy registering guests to get blood glucose and other health screenings at their local Walmart locations. For more on these stories, please go to our MN Lions Diabetes Facebook page!

If your club or district has any news and photos to share in the quarterly Diabetes Foundation Newsletter, please email info to Lion Amy Swenson at amyswens@runestone.net I'd LOVE to get your service projects recognized!

Lion Deb Weston and Lion Joel Anderson being presented a collection of Lions Diabetes pins from Lions Bill and Marcia Guthrie. Lions Bill and Marcia are Coon Rapids Lions and very active members of LIPTC. The presentation took place at the District 5M7 Mid-Winter Convention on Jan. 20.

Cub

Cub Foods Diabetes Alert Day Events

Find out if you're at risk for Type 2 diabetes and connect with resources that can help.

The Minnesota Lions Diabetes Foundation and local Lions Clubs will join Cub Foods to raise awareness about Type 2 diabetes. During Diabetes Alert Days, members of the public can find out if they have prediabetes or diabetes and connect with resources that can help. They will also receive free goodies and chances to win a Fitbit.

One in three Americans are on their way to developing Type 2 diabetes and most don't know it. Others already have it. Diabetes Alert Days are an opportunity for people to find out where they stand with diabetes and take steps to prevent Type 2 diabetes. People who lose a modest 5-7 percent of their weight can cut their chances of getting diabetes in half. For a 200 person, this amounts to only 10-14 pounds. People who already have diabetes can successfully manage their conditions and live long, healthy lives.

Cub Foods pharmacists will provide screenings, free blood glucose tests, free blood pressure tests, and information about their My Diabetes Coach Program, which includes four one-to-one consultations with a pharmacist, a one-time class and a grocery store tour. The program is free and available at participating Cub stores listed below.

The Minneapolis Health Department, Healthy Northland, YMCA, and the University of MN Extensions Services will also be partnering with this event to provide resources and provide healthy and delicious food samples!

TWIN CITIES LOCATIONS

Saturday, March 17, 11 a.m.-3 p.m.

Lions District 5M10 Mid-Winter Convention 2018

COME TOGETHER UNDER THE NORTHERN LIGHTS - January 19, 20 & 21, 2018

The Lions District 5M10 Mid-Winter Convention 2018 was held in Dryden at the Best Western Plus Hotel and Conference Centre on January 19, 20 & 21. The convention hosted by the Dryden, Dryden Trillium and Vermilion Bay Lions Clubs saw 165 Lions and their guests from across Northwestern Ontario and Northeastern Minnesota come together “under the northern lights” for a weekend of fun and learning. Guest speakers Eugene Chong from the CNIB Lake Joseph Centre and Thomas A. Spizzo from Spring Point Project along with several workshops highlighted the five pillars of Lionism: Vision, Diabetes, Environment, Hunger and Childhood Cancer.

Special guests included Lions International Director Nicolin Moore, from Trinidad Tobago, and District Governor Mark Eyre, from Cook, Minnesota, who celebrated the accomplishments of Lions and emphasized the need for Lions to continue their work in supporting Lion’s initiatives locally, nationally and internationally. Lions were very pleased to have Lion Shirley Koroniak from the Vermilion Bay Lions elected as 2nd Vice District Governor. Congratulations Shirley!

Local Lions were happy to show off our beautiful area and 25 Lions including ID Nicolin Moore and her husband Rudy, took part in dog sledding on Friday morning at the Borealis Dog Sledding Adventures with Burton Penner. Dog sledding was a huge hit and an experience of a lifetime for the Moore’s.

The Dryden, Dryden Trillium and Vermilion Bay Lions extend a huge thank you to local businesses and individuals who supported our convention and to the Best Western for being an exceptional venue. The convention was a huge success and visitors to our community were very impressed with all our area has to offer.

CLUBS

BEMIDJI LIONS

Members of the Bemidji Lions Club became involved with several activities during the past month. Several club members assisted with parking of vehicles at Buena Vista Ski Lodge during the Finlandia Cross Country Ski Race. Over 160 skiers participated in the race so parking became an issue but the Lions were there to help. Another event in which "Lions were there to help" was the pledge drive for Lakeland Public T.V. Twice a year members from the Lions Club assist by answering phones and taking pledges. Recently retired Lions Club member Jim Molde, put his optometry skills to work by organizing an eye screening clinic for children. He was joined with several other members from the club and checked the vision of numerous youth, which developed into a highly successful event. Last week after the Wednesday general membership meeting, about 15 Lions gathered to participate in packing food for the "BackPack Buddies" program. Hundreds of packs were filled with a variety of food items which were then given to the school for distribution. Youth who qualify, are given a pack to take home over the weekend, thus assuring they have a nourishing meal. Another gesture toward helping our youth was a donation of \$250 dollars from the Lions Club to help finance a trip for several students who will be going to the "World Competition" held this year in eastern United States. Students are from the Bemidji Middle School and hope to do well as they represent Minnesota. Many more activities are on the calendar as we approach April and May. Enjoy the coming of Spring!! Leon Nelson/Club Secretary

DRYDEN TRILLIUM LIONS

Dryden Trillium Lions Club – #53070 - Activity Report for February, 2018

- Our contribution to the Dryden Food Bank this month was 32 lbs. of hamburger that will feed 127 clients.
- Meals on Wheels were delivered to 17 shut-ins.
- On February 15th, Canada's National Flag Day, Trillium Lions visited three Dryden elementary schools to present "Project Pride", a unique Canadian program. At each school, children came together in a circle and our members talked about our Canadian flag as well as what Lions do. Each of the 119 children was presented with a small flag and personalized certificate, learned how to shake hands (which is something new for some of these small people) and all sang Oh Canada. A fun and satisfying project.
- Initial plans are in place for our major annual fundraiser shared between Trillium Lions and Dryden Lions Clubs. The prize this year is a 2018 Jeep Cherokee Trailhawk SUV with kayak racks and 2 kayaks. Ticket sales begin soon with the draw taking place in August.
- Our club as well as individual members have sent get well cards to Leo Allison Pank of the Duluth Centennial Leo Club. We wish her a successful recovery.
- We have partnered with Dryden Lions and Vermilion Bay Lions in sponsoring a Dryden High School girl chosen to be part of a Select Girl's U18 hockey team travelling to Europe in August. Our shared donation of \$600 will result in the Lions logo appearing on every team jersey for every game.

EMO AND DISTRICT LIONS

Emo and District Lions continues KidSight screens with 6 more schools screened and a few dozen more kids off to the ophthalmologist. We are booked for next week to finish off the district schools with club members from Atikokan Lions! We have several new club members that have now caught the KidSight bug one who is now going to chair the committee!

We screened a young gal from the USA side as her mom had heard about Lions screens through church conversation as a couple of our Lions members discussed the next day school screenings. Mom brought her across the border for a screen that took a few seconds. Her screen required a complete eye exam to be done. That was a Monday...armed with the report they went off to the Eye Doc on Tuesday and by Friday the young lady was wearing her new glasses!! This project has made such a difference in our club and our community!

We unfortunately had a district fire in January and a family lost their entire home as well as a few of their pets. Fortunately no loss of human life and our Lions club had a "fire basket" ready and waiting and it was delivered within 24 hours of the tragedy. This basket is a hamper filled with things that you need after such a loss as well as contact information for our club should they need more assistance.

We had several club members attend the MidWinter convention and what a convention it was. Congrats to the Dryden, Dryden Trillium and Vermillion Bay Lions for an awesome time! The dog sled rides on Friday were incredible as well as the wiener roast and hot chocolate after! Can't wait for the next one! The whole weekend was amazing!

Our next fundraiser is our Lions Share Grocery raffle which has chances sold for 100\$ of groceries/week for 52 weeks! Draw will be held on April 21, 2018 at the Devlin/LaVallee Fireman's spaghetti supper fundraiser at the Devlin hall.

We have plans for the diabetic pillar of Lions service by sending an area child to Diabetic camp this year...more to come on that soon as well as some new ideas pending from our newest Lions!

Roar!

**THE LION'S SHARE
GROCERY RAFFLE**

DRAW TAKES PLACE DURING SPRING FEVER DAYS!
COUPONS REDEEMABLE AT CLOVERLEAF FAMILY FOODS

1ST PRIZE: \$5200.00 IN GROCERY COUPONS!!

Lions Foundation of Canada
Pet Valu Walk
around the Block fundraiser

For **\$20.00 CDN** you get to help a GREAT organization, The Pet Valu Walk for Dog Guides is a national fundraiser held in over 240 communities across Canada. The Walk raises funds for Lions Foundation of Canada Dog Guides, whose mission is to assist Canadians with a medical or physical disability by providing them a Dog Guide at **NO COST**. Dog Guides are provided at no cost to eligible Canadians, despite the **\$25,000** expense it takes to raise, train, and place each one.

Lions Foundation of Canada trains Dog Guides and assist Canadians with a wide range of disabilities. With six programs in place, Canadians with disabilities are offered the opportunity to find greater independence, mobility and safety through the help of a Dog Guide.

Depending on the program, Dog Guides are trained to perform a set of basic skills that are useful to all handlers. However, some of their training is also tailored to meet the specific needs of their future handler. In the final stage of training, the client and Dog Guide train and live together at the Oakville facility for two to four weeks. This helps to ensure that the new working team develops a bond and prepares them for their next step - returning home.

<u>Canine Vision</u>	for people who are blind or visually impaired
<u>Hearing Ear</u>	for people who are deaf or hard of hearing
<u>Autism Assistance</u>	for children who have autism spectrum disorder
<u>Service</u>	for people who have a physical disability
