## Lions Roar from FVDG Wayne Tieman

**“Where there is a need, there’s a Lion”**

The FVDG Journey is getting better all the time, as Lenay and I participate in more training experiences and we have more interaction with the 5M10 Leadership Team. We are “Shaking the Trees” in our effort to make needed changes in 5M10 now and beyond. We work with a dynamic 5M10 Leadership Team—DG Joanne, SVDG Shirley, and GMT Mel. We have regular communication, so that we can follow our plan to increase district membership/clubs and to set priorities for the future. Thank you, Joanne, Shirley, and Mel for your dedication to Lions.

The DG Training for Lion Lenay and me is the new and improved version from LCI. The past two months have been very busy. We participated in FVDG Training in Mahnomon, MN, October 18-19<sup>th</sup>; Guiding Lion Training in Orr, MN, October 26<sup>th</sup>; and the Northern Pride Leadership Forum November 2-3<sup>rd</sup>. I was very happy to be a presenter at the Forum on Time Management—“It’s About Time!!”

The “push” is on to finish 2018 with a flourish of Lion activities, which include preparing for the Lions Q Center Training in February; finishing the Masters degree courses from Lions U; attending some Lions Christmas parties; getting the Northome Lions Club up and running; and working with the committee to make the 5M10 midwinter convention in Fortune Bay fun and exciting!

I ask for your vote for District Governor. I’ve been an enthusiastic Bemidji Lion since 2005. During my time as a Bemidji Lions member, I’ve served as President, 1<sup>st</sup> Vice President, Membership Chair, Board Member, Zone Chair, and Co-Chair of the 2017 MD5M Convention.

I’m retired after 45 years in the work world. The main jobs I had were in insurance/investment sales and school administration/ teaching. Now I’m fully engaged in my “encore career”, which is, of course, LIONS.

Lenay and Wayne have been happily married for 46 years. We have 2 wonderful adult children: Andria (Ryan) and Brett (Ashley).

I have many hobbies and interests, which include: enjoying breakfast with family and friends at my favorite restaurants in Bemidji—Raphael’s and Perkins, reading, traveling, volunteering for church and community events, and spending time with family and friends. I grew up on the family farm west of Thief River Falls, MN. Thanksgiving is my favorite holiday.

We are grateful for the LIONS opportunity and we welcome your support and encouragement. We have AN ATTITUDE OF GRATITUDE. Thank you, Lions of 5M10.

## LIONS LAKE JOSEPH TRANSPORTATION PROJECT 2018

The Lions Lake Joseph Transportation Project was again very successful in assisting three individuals who are blind or partially sighted and two families with a family member who is blind or partially sighted to attend CNIB Lake Joseph during the summer of 2018. CNIB Lake Joseph is a recreational facility specially designed, equipped and operated for people who are blind or partially sighted. The camp is located on Lake Joseph in the Muskoka region and it has proven difficult for individuals from the 5M10 region to get to camp without the support of this Lions' project. Individuals who attend have nothing but praise for this worthwhile experience. Comments from 2018 include:

- "Our daughter looks forward to attending camp and connecting with her friends...and has been exposed to many experiences and opportunities as a result of her attendance".  
(Guardian of adult who attended)
- "Attending Lake Joseph was the hi-lite of the year for our grand daughter. The best part for her is the talent night....She is an inspiration to us all and through your generous donation she has an opportunity that may not otherwise be available to her."  
(Grandparent of child who attended)

**Thank you to Lions clubs in 5M10 for your ongoing generous support of this project and making a difference in the lives of individuals in our communities who are blind or partially sighted!**

# Minnesota Lions Vision Foundation

Minnesota Lions Vision Foundation November is eye donation month, if you would like to be an eye donor , please let your family know this as it will simplify the process when that time comes. We have Lions Gift of Sight Donor cards available that you can carry in your wallet or purse. They will be available at the midwinter convention or you can contact PDG Mark Osthus or Lion Brian Maki. The contribution of your eyes to the Lions Gift of Sight will benefit so many others. Corneal transplants and important eye research can only occur when someone makes the selfless act of donating their eyes.

## CLUBS

### Bemidji Lions

The Bemidji Lions Club was honored last month with a visit from District Governor Joanne Ogden. Lion Joanne gave a presentation to the membership during their weekly meeting and gave out pins to various Lions in attendance. The top award went to LeRoy Hill, for 65 years of Lions Club membership. Other activities during the past month included a donation of \$500 to the Lions Club International Foundation for help in assisting victims of the recent hurricane. The club also gave \$50 to the Can-Do-Canine organization in memory of Norton Berg. Lion Norton passed away late summer due to a farm accident and was a helpful and dedicated member of the club. Several members helped at the "Blue Ox Marathon" which was held in October. Lions worked at an "Aid Station" giving out water and energy drinks to the runners as they passed by. Another October activity was the Lions Vision Clinic for children. During this event, children were screened for vision problems and referred, if needed, to eye specialist for addition help. The largest event during October was the Fall Banquet and Cash Raffle. Over 240 community members bought tickets and hoped that their number would be drawn for a \$5,000 cash prize. Included in the purchase of a ticket was an evening meal and additional chances to win smaller cash drawings. The evening was a great success with everyone having a delightful time. The club also sponsored a BSU football game last month. This was part of the Lion's Vision Awareness Week and the week culminated with a donation to the BSU Foundation for \$2000. This is just another way in which the Bemidji Lions Club helps serve our community.

## Cap Baker Lions

Cap Baker Lion members performed Vision Screening at Southwest Elementary School on October 2nd. Cap Baker Lion members screened 268 students (first through fourth grade). Twenty of these students were referred for additional eye exams. Two spot screeners were used. District Governor Joanne Ogden traveled to Grand Rapids to assist with one Spot Screener from 5M10, and Cap Baker Lion President Debbie Vergin met Bemidji Lion President Jim Molde to borrow their Spot Screener for the day.

Cap Baker Lions Club donated \$500 to the Open Door Coat Rack Program. Over a two-day period, the Coat Rack provides winter coats, jackets, snow pants, boots, hats, mittens to approximately 1000 men, women and children in need. Cap Baker Lions donation was used to purchase 28 new children's winter jackets!!!

### OCTOBER ACTIVITY REPORT

Two Lions delivered Meals on Wheels on October 6<sup>th</sup> & 7<sup>th</sup> to 15 clients for 5 hours.

Our Club collected \$ 100.00 from our membership at our October General Meeting purchasing 30 lbs. of ground beef for the Dryden Food Bank at a cost of \$ 70.00, serving 120 clients.

Our Club issued one Travel Grant Advance for \$ 237.80.

We presented Perfect Attendance pins for 2017-2018, spanning 1-26 years, were presented to 10 members at our October General Meeting with 5 more to be presented at a later date.

Dryden Public Library Family Pizza Party was held on October 19<sup>th</sup> and our club was recognized for our donation of \$ 500.00. Three members attended serving 50 children and their parents. They also supervised stations with different fun activities for the children.

Six members attended the visit of DG Joanne Ogden on October 30<sup>th</sup>, 2018 hosted by Vermilion Bay Lions on behalf of the 3 area clubs: Vermilion Bay, Dryden and Dryden Trillium. DG Joanne presented Lions Susan Schultz and Sharon McGillivray with their 35-Year Charter Monarch Chevron Awards and our club donated \$ 50.00 to LCIF on behalf of our District Governor Joanne Ogden.

## Duluth Lions Club Apple Sale Success!

Distribution of the fresh Cortland apples our club sold took place October 16 – 17. Thank you to Apple Sale Chair, Lion Pat Swenson, for your leadership this year and to all the Lions who sold and distributed the pecks of apples.

Total Apple Harvest profit (Caramel Apple and Cortland Apple sales) was \$3,617.02, a bit ahead of last year. Net profit from selling the pecks/bushels of Cortland apples alone was \$2,151.25.

Our Top Five Winners selling the most apples and receiving a prize were: Lions Barb Tanski (14), Eric Schlacks (15), Tom Sailstad (16), Rhonda Rufford (19). *Lion Gail Tate topped us all, selling 101 pecks of apples. Congrats, Gail!*

## Duluth Centennial Leos

The Duluth Centennial Leo Club used their proceeds, \$240.00, from volunteering at the Duluth Air Show to purchase hygiene items for Denfeld High School's Hunter Hut this month.

The Duluth Lions Club donated an additional \$100.00 to buy extra items. Around 400 items including deodorant, dental care, soap, toilet paper, laundry soap, and hair care were donated.

The Hunter Hut provides clothes, food staples, and hygiene items to students who need them. Mr

Lofald, who is a PARA at Denfeld and runs the Hut, told us that they go through hygiene items quickly. Poor hygiene can lead to bullying, which can lead to a student avoiding school. These donations can make very big differences in the lives of many students.

Duluth Lion President Sue stated, "As a Lions Club it is wonderful to have a Leo club to support...after all, it is everyone doing the little pieces put together that creates the solutions. Thank you to all the Lions who serve their community. Every little bit helps."

## Emo and District Lions

Hunters Dinner was an amazing success this year! Proud as heck to live in a place that supports Lions and what they do with such enthusiasm!! Thanks to all of you who came with family and friends and to those who came from Wisconsin!

Great job Emo and District Lions club members ....man you worked your tails off to make this an amazing success...no better team than what we have!! Our feet and backs are pretty tender this morning but it's so exciting to be able to help out the Devlin ballpark and be able to add some playground equipment there!!

Congrats to all the winners and Fred Paesel for winning that awesome gun...but... The best part of the whole evening was our auction! Great prizes but who would have known the item bringing in the most money was a Cheesecake made by Lion Chelsey Ogden!! The Cheesecake was bought and donated back then resold multiple times for a grand total of 595\$! Great job Wisconsin for starting the game!

## **Babbitt Lions**

The Babbitt Lions have built many ramps, but they also remove them when they are no longer needed. In October, the Babbitt Club removed a ramp that had been built for a young man who had been in a motorcycle accident. They also collected the medical equipment that had been loaned to him. Our club also has a portable ramp that can be moved to where ever it is needed. This month the ramp was moved to a residence where it was needed. Ten Lions volunteered for these projects.

## **First City Lions Club of Bemidji**

Greetings from First City Lions Club of Bemidji. Our club has been shaking things up around town helping out in several capacities.

As Secretary of my club I prepare the monthly activities and places of volunteerism for the month. In reporting the August activities, I realized just how many different activities our club volunteers for: In August we had our annual pie sale which is one of our fundraisers. This was in conjunction with the Bemidji Lions Annual Lions Fare; we also volunteered at the Beltrami County Fair working booths for MN Citizens Concerned for Life, working in the Arts Building receiving and arranging items for display, History Center, and KidSight. Outside of the fair we volunteered at the Food Shelf, Meals on Wheels, Neilson Place, Central Roadracin Association being a corner flag person and radio captain for 70 racers, Vacation Bible Study for 5<sup>th</sup> grade, KidSight at the Mn State Fair and worked with DG Joanne. We also assisted 1stVDG Wayne, 2ndVDG Shirley, PDG Mel, and Blackduck Lions Club President Curtis Wetzell and Lion Rollie on starting a new Lions Club in Northome. Seventeen Lions completed 156 hours in August.

The trip to the Minnesota State Fair to assist District 5M10 with KidSight was amazing. I understand we did more screening than most other districts, so pat your backs for that.

Now that Fall has arrived scheduling dates to clean the eye-glasses we have collected is in order. The Bemidji Lions Club and the First City Lions purchased a lensometer enabling us to see the prescriptions and get the glasses ready for shipping. Thank you, Lion Jim Molde, for doing all the research for the machine, and training us on how to read the prescriptions.

What do Lions do? We serve and have fun.

Lion Mary Lou Milender
