Below the description is a section titled 'WHAT YOU WILL ACHIEVE' with three bullet points: 1. Provide education for children and their parents/caregivers about diabetes; 2. Provide a safe environment for children with diabetes to connect with their peers; 3. Show families and caregivers that it is possible to live well with and successfully manage diabetes. Below that is a 'DURATION' section with 'Event Duration: 3-4 hours' and 'Expected Planning Time: 2-4 months', and a 'Download the Full Planning Guide' button. The '2. Privacy Settings' section has two questions: 'Who can see this?' with options 'Everyone', 'Club', and 'Only me'; and 'Who can join?' with options 'Everyone', 'Any Lion or Leo', and 'Invite Only'. Service Reporting Guide

Sharing your impact is important to members, to clubs and to our organization as a whole. It helps us chart our progress as an organization, tell our story to prospective partners and much more. From simple community service projects to large, comprehensive screening projects, reporting will shine a light on how—and where—local clubs are making a difference in their communities and in the world.

The Service Reporting Guide will help Lions and Leos to become familiar with the service activity data in MyLion™ by answering the following two questions:

1. What is a reportable service activity?
2. What data should be reported?

Download the Reporting Guide

A group of people are gathered around a table, looking at a laptop and documents. The scene is dimly lit, with the primary light source coming from the laptop screen. The people are wearing casual business attire. One person is pointing at the laptop screen, while another is holding a pen over a document. The overall atmosphere is one of collaborative work and data analysis.
